

## PARTS & IDENTIFICATION

- |                       |                          |                          |                                |
|-----------------------|--------------------------|--------------------------|--------------------------------|
| 1. Axial Impeller     | 12. Drip Pan             | 23. Hinge Lower Assembly | 34. Thermostat                 |
| 2. Adjustable Leg (4) | 13. Filter Drier         | 24. Hinge Cover Upper    | 35. Thermostat Indication      |
| 3. Airstream Grill    | 14. DC Motor (2)         | 25. Handle               | 36. Top Lighting Cover         |
| 4. Bearing            | 15. Drip Pan             | 26. Shelf Clips (12)     | 37. Wire Closing Spring        |
| 5. Rear Grill         | 16. FI LED Ph1           | 27. Lock Pin (2)         | 38. Wire Condenser Assembly    |
| 6. Compressor         | 17. FI LED Ph1 (2)       | 28. Motor                | 39. Upper Hinge Right Assembly |
| 7. Capacitor          | 18. Evaporator Assembly  | 29. On-Off Switch        | 40. Power Box                  |
| 8. Capacitor          | 19. Front Grill Assembly | 30. Power Cord Holder    |                                |
| 9. Cap Lock Assembly  | 20. Glass                | 31. Support Switch       |                                |
| 10. Top Hinge Bushing | 21. Door Gasket          | 32. Shelf Assembly (3)   |                                |
| 11. Door              | 22. Lower Hinge Bushing  | 33. Thermostat Knob      |                                |
