

## PARTS & IDENTIFICATION

- |                                 |                          |                                |                              |                             |
|---------------------------------|--------------------------|--------------------------------|------------------------------|-----------------------------|
| 1. Cabinet                      | 18. Inner Drip Pan       | 35. Bottom Left Trim           | 52. Shelf Clip (16)          | 69. Side Plate              |
| 2. Interior LED                 | 19. Drip Pan Plate       | 36. Rubber Cover (2)           | 53. Shelf Strip (4)          | 70. Circle Pipe             |
| 3. Interior Lampshade Board (2) | 20. Switch (2)           | 37. Front Grill                | 54. Clip                     | 71. Nylon Washer (2)        |
| 4. Canopy LED                   | 21. Thermostat           | 38. Front Grill Clip (2)       | 55. Filter Bracket Assembly  | 72. Left Bottom Hinge       |
| 5. Left Top Hinge               | 22. Thermostat Mark      | 39. Compressor Base            | 56. Filter                   | 73. Transformer Box (3)     |
| 6. Right Top Hinge              | 23. Inside Fan Cover (2) | 40. Condenser                  | 57. Cabinet Bracket          | 74. Transformer #1          |
| 7. Canopy Top Bracket           | 24. Evaporator Fan (2)   | 41. Condenser Fan              | 58. Caster (4)               | 75. Transformer #2          |
| 8. Canopy Top Bracket           | 25. Top Right Trim       | 42. Fan Cover                  | 59. Beam Plate               | 76. Defrost Timer           |
| 9. Canopy                       | 26. Top Left Trim        | 43. Compressor Connection Pipe | 60. Heating Wire             | 77. Junction Box            |
| 10. Canopy Blanking Cap         | 27. Door Gasket (2)      | 44. Drip Pan                   | 61. Beam Trim                | 78. Retaining Plate Bracket |
| 11. Canopy Liner                | 28. Lampshade (2)        | 45. Outlet Pipe                | 62. Foam Insulation          | 79. Retaining Plate         |
| 12. Canopy Bottom Bracket       | 29. Left Glass Door      | 46. Filter Connection          | 63. Beam                     | 80. Power Cord              |
| 13. Evaporator Bracket (2)      | 30. Right Glass Door     | 47. Compressor                 | 64. Right Bottom Hinge       | 81. Grill                   |
| 14. Evaporator                  | 31. Side LED Light (8)   | 48. Capacitor                  | 65. Combined Connection Wire | 82. Hang Line Stents        |
| 15. Wire Sleeve                 | 32. Lamp Wire (4)        | 49. Starter Relay              | 66. Side Plate (2)           | 83. Rear Baffle Plate       |
| 16. Outlet Pipe                 | 33. Long Lamp Wire (2)   | 50. Overload Protector         | 67. Middle Plate             | 84. Front Plate (2)         |
| 17. Outlet Pipe Cover           | 34. Bottom Right Trim    | 51. Shelf (4)                  | 68. Water Hose               |                             |
